SUBJECT INDEX

acquired immunodeficiency syndrome (AIDS), 30
  interview with Walter Dowdle, 330
Africa, health systems research, 238
  water supply and sanitation, 213
AIDS (acquired immunodeficiency syndrome), 30
  interview with Walter Dowdle, 330
alcohol trade, Round Table, 195
ascariasis control, 254

Bangladesh, maternal mortality, 325
Brazil, perinatal mortality risk, 322

cancer, caused by tobacco, 350
  control strategies, 160
cardiovascular diseases, prevention, USSR, 243
care-givers, *see* health care workers
child survival, 352
circumcision, female, Nigeria, 236
Colombia, shamanism, 40
community health workers, India, 131
  Jamaica, 365
community participation, vector control, India, 174
costs of health care, Round Table, 3, 345

Denmark, prevention of traffic accidents, 246
dermatological problems, Thailand, 86
diarrhoeal disease, oral rehydration, Papua New Guinea, 271
disaster management, Kuwait, 165
disease, changing pattern in developing countries, 310
  linked to human development, 70
drugs, derived from plants, 76
  rational use, 63
  selection, Norway, 67

environmental health, Japanese university, 81
  mass parasite control, 248

family planning, counselling, 345
  sterilization of women, 350
financing health services, 99

guinea-worm control, 351
  India, 130

Guyana, oral health, 41

health care, hazards, 135
health care workers, dealing with stress among, 146
health education, India, 220
health insurance, India, 150
health services, financing, 99
  India, 150, 153
  Italy, 155
  Kuwait, 165, 314
  medical records, Israel, 268
  slum areas, 257
health status, children, 352
health systems research, Africa, 238
  anthropological methods, 361
hospitals, role in primary health care, 223
housing, low-cost, 59

iatrogenic disease, 135
immunization, against poliomyelitis, Jamaica, 265
  India, 35
  vaccine delivery problems, 347
India, community health workers, 131
  guinea-worm, 130
  health education, 220
  health insurance, 150
  immunization, 35
  medical schools and health care development, 318
  mobile medical units, 153
  traditional birth attendants, 115
  traditional healers, 39
  training doctors, 118
  vector control, 174
  women, employment and health, 43
interview with Walter Dowdle, 330
iodine-deficiency disorders, 260
  Tanzania, 262
Iraq, hospital manpower, 133
Israel, medical records, 268
Italy, health services, 155

Jamaica, community health aides, 365
  poliomyelitis immunization, 265
Japan, University of Occupational and Environmental Health, 81

Kuwait, management of disasters, 165
medical services, 314

laboratory tests, 182

malaria, detection by voluntary health workers, 274
international travel precautions, 337
need for surveillance, 348
therapy, Tanzania, 42
workshops, Solomon Islands, 122
manpower, deployment of doctors, 146
hospitals, Iraq, 133
maternal mortality, Bangladesh, 325
medical education, Round Table, 291
medical records, Israel, 268
medical schools, participation in health care programmes, India, 318
medicinal plants, scientific study, 76
mental health care, Yugoslavia, 157
microcomputers, 177
midwifery care, Sierra Leone, 110
mobile medical units, India, 153
morbidity patterns, USA, 47
mosquito-borne diseases, control by fish, 320, 321
use of treated bed nets, 342
muscular dystrophy, Turkey, 130

neonatal tetanus, 127
Nicaragua, primary health care, 368
Nigeria, female circumcision, 236
physiotherapy, 241
primary health care, 108
training health professionals, 133
nongovernmental organizations, 169
Norway, selecting drugs, 67

occupational health, developing countries, 240
Japanese university, 81
oral health, chewing stick, 232
Guyana, 41
Papua New Guinea, 106
oral rehydration therapy, Papua New Guinea, 271

Papua New Guinea, oral health, 106
oral rehydration therapy, 271
parasite control, ascariasis, 254
mass programmes, 248
perinatal mortality, Brazil, 322
India, 115
pesticide poisoning, 39
Philippines, village health workers, 27
physical education, 123
physiotherapy, Nigeria, 241

pneumonia, in children, 143
poliomyelitis, Jamaica, 265
prevention, cardiovascular diseases, USSR, 243
traffic accidents, Denmark, 246
primary health care, Nicaragua, 368
Nigeria, 108
perception of needs, 348
pre-programme data collection, 361
role of hospitals, 223
selectivity, 239
standing orders, 44, 45, 242
teaching attitudes, South Africa, 20
Tonga, 237
training doctors, India, 118
training refugees, 235
Turkey, 230
volunteers, 24
primary health care workers, *see* community health workers, village health workers, voluntary health workers

radiation, nonionizing, 52
refugees, training for primary health care, 235
ringworm, vaccines, 373
Round Tables :
Health care costs out of control : the experience of Switzerland, 3
The alcohol trade and its effects on public health, 195
Wanted: a new breed of doctors, 291

sanitation, Africa, 213
screening for disease, annual medical examination, USSR, 180
chemical pathology tests, 182
Sierra Leone, midwifery care, 110
smallpox, investigating rumours, 171
Solomon Islands, malaria workshops, 122
South Africa, teaching of attitudes, 20
standing orders for primary care workers, 44, 45, 242
Switzerland, health care costs, Round Table, 3

Tanzania, iodine-deficiency disorders, 262
malaria therapy, 42
uvulectomy, 131
tetanus, neonatal, 127
Thailand, dermatological problems, 86
tobacco, cause of cancer, 350
Tonga, primary health care, 237
traditional birth attendants, India, 115
traditional healers, Colombia, 40
India, 39
traditional medicine, authentication, 132
uvulectomy, Tanzania, 131
traffic accidents, prevention, Denmark, 246

training, new breed of doctors, Round Table, 291
primary health care attitudes, South Africa, 20
primary health care doctors, India, 118
Nigeria, 133
refugees for primary health care, 235
village health workers, Philippines, 27
tuberculosis control, with limited resources, 349
Turkey, muscular dystrophy, 130
primary health care, 230

USA, morbidity patterns, 47
USSR, annual medical examination, 180
prevention of cardiovascular diseases, 243
uvulectomy, Tanzania, 131

vaccines, against ringworm, 373
vector control, bed nets treated with insecticide, 342
community activities, 174
using fish against mosquito larvae, 320, 321
veterinary medicine, ringworm, 373
village health workers, Philippines, 27
voluntary health workers, for malaria detection, 274
volunteers, in primary health care, 24

water supply, Africa, 213
women, employment and health, India, 43

Yugoslavia, mental health care, 157
